SEDONA LOG SET

A-0011 **20" Long**

A-0031 **13" Long**

A-0547 **13 1/2" Long**

A-0044 **13" Long**

A-0532 **12 3/8" Long**

A-0620 **13 3/4" Long**

A-0540 **11" Long**

A-0548 **11 1/2" Long**

A-0072 **21 3/8" Long**

A-0513 **12 1/2" Long**

A-0533 **10 1/4" Long**

SEDONA LOG SET

A-0640 **31" Long**

A-0528 **30" Long**

A-0565 **19" Long**

A-0661 **18 1/4" Long**

A-0526 **20" Long**

A-0502
29 3/4" Long

A-0732
15" Long

A-0542 **12 1/4" Long**

Maintenance: Over time logs can accumulate soot when they are in direct contact with flame from the fire pit. This is normal and should be cleaned periodically. Logs can be cleaned by removing them from the fire pit and using a brush to remove the soot.
