Addendum Assembly Instructions

Note: this is an addition to the original installation instructions, 4 supports will be added to the front of the display.

PARTS

(4) 1" Square Tubes 12" long with adhesive tape on one side

FIG 1

FIG 2

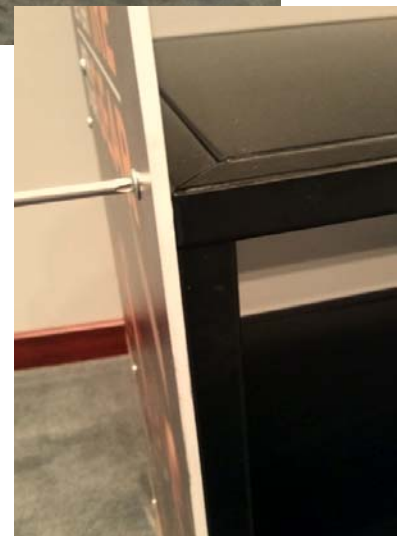

Step 1: Loosen the front screws on the three large shelves. This will allow the supports to slide into place easier.

FIG 3

Step 2: Peel the paper from the adhesive tape on the tube. Position one length of the tube as shown in figure 3 between the two lowest shelves. Make sure that the tube does not stick out past the shelves before pressing firmly into place. Repeat this for the other three positions shown in figure 1.

FIG 4
